KIDS

We're excited to be implementing a new church-wide database system called Church Community Builder, or CCB. We're launching it in kids ministry next Sunday, July 20, and it will become our new check-in system for kids. If you have a kid in kids ministry, you'll now be using your phone number to check-in your child instead of your last name. In order to make check-in easier for you with the new system, we need you to go online, create an account, and make sure your info is up-to-date. If you haven't received a letter in the mail about how to do this, please ask someone in kids ministry today for further information. Sign up for an account by July 20 for a chance to win a date night package including dinner, movie, and dessert!

emerge

In Emerge, we want to create opportunities for 18-25 year olds to connect at CRC and in homes around Morgantown, whether they're in college, grad school, working, or somewhere in between. That is where you come in! When you become an Emerge small group leader, you have the unique opportunity to walk through life with a small group of 18-25 year olds and watch them experience life change. To be an Emerge small group leader, you don't have to have all the answers... none of us do. Just a desire to help 18-25 year olds grow closer to God and others. In just a few hours a week, you can make an eternal difference! For more information about becoming a small group leader with Emerge, stop by the kiosk in the lobby or contact Joey Swearingen at joe.swearingen@chestnutridgechurch.com

next

Would you like to learn more about the church or how you can be a part of it? Come to NEXT! It's a short presentation of the history, mission and strategy of the church. It's held on the 2nd weekend of each month in the HUB, directly following the weekend gathering. If you've ever wondered why we do church the way we do, or how you can get more connected in the church, NEXT is the place for you. At NEXT, you will get some of those questions answered that you may be most curious about, such as why we play those crazy videos at the beginning of the service. You will also have the opportunity to ask your own questions and explore the next steps available for you.
