BE•RICH

Do more. Give more.

As Americans, we are some of the richest people in the world. Yet come holiday time, we can feel stretched, pressed, and pushed to the limit. How can we make it to January and feel good about how we spend our time and resources through the holiday season?

Our new series, "Be Rich" starts this weekend. You won't want to miss out on being a part of something very special and meaningful during the holidays. Take a look at the insert in this program, and **listen each of the next 4 weekends for your "call to action."**

Together, we can learn how to be rich and impact our community and world with the love of Jesus.

OPERATION CHRISTMAS CHILD

Can you imagine a living situation where you have to choose between feeding your family or buying a bar of soap with your whole day's wage? Many families make this decision every day, but you can make a difference.

This year with Operation Christmas Child we have a goal of packing over 2000 shoeboxes during the November 15th packing party and would like to provide a bar of soap and a washcloth in each one to bless the children and their families.

In addition, Chestnut Ridge Church has been selected as a Relay Center. We will be collecting boxes from the community, and also have our own packing party Nov. 15. We are looking for dedicated volunteers who would like to help with hospitality, reception, and packing during drop off week—Nov. 16-Nov. 23.

If you would like to help, write "shoeboxes" on your tear off panel or email karen.haring@theridge.church.

Please bring your bar soap and washcloth donations in October and place in the tubs by the building exits.
