We only get one life here on earth. The more we get to know God, the more we realize that we're not here to help ourselves to more; we're here to help others experience real life. In the process, we experience more in this life and become **more** like our heavenly Father.

In this series, we're looking at making our lives count for eternity by making more of the life we're living. Let's get excited to do **more!**
